

The Secretary of the Navy takes pleasure in presenting

a Gold Star in lieu of the second

NAVY ACHIEVEMENT MEDAL to

EDWARD JOHN LIEBIG

DATA PROCESSING TECHNICIAN SECOND CLASS

UNITED STATES NAVAL RESERVE

for service as set forth in the following

CITATION:

"For meritorious achievement in the superior performance of his duties while serving at Pacific Operations Support Facility from January 1992 through December 1992. Petty Officer Liebig's exceptionally keen technical knowledge and superior leadership skills contributed directly to the outstanding service provided through the Worldwide Military Command and Control System in support of Unified, Specified and other major commands stretching from the West Coast of the United States, to Japan and the Indian Ocean. His flawless performance was in evidence daily, not only in his routine duties as a computer operator, shift supervisor, and user support technician, but also while deployed with the Crisis Action Team and the Deployable Joint Task Force Augmentation Cell. His indefatigable efforts extended to several collateral duty projects, including Editor for the command newsletter and a host of Morale, Welfare and Recreation events which would not have been accomplished without his unselfish sacrifice of countless off-duty hours. Petty Officer Liebig's superior professional performance and extraordinary dedication to duty reflect great credit upon himself and are in keeping with the highest traditions of the United States Naval Service, and resulted in his selection as the Pacific Operations Support Facility Sailor of the Year for calendar year 1992."

For the Secretary of the Navy,

PRIMA A. MORRIS
Commander, U.S. Navy
Commanding Officer
